

Preliminary Round Judging Panel **Introduction**

Ms. Belinda CHUNG

Senior Vice President, Corporate Affairs, Citi Hong Kong

Belinda Chung is a Senior Vice President in the Corporate Affairs team at Citi Hong Kong. She is responsible for internal and external communications for Citi in Hong Kong. She also covers communications for the Institutional Clients Group in Hong Kong.

Belinda has over 22 years of public relations and communications experience. She joined Citi in September 2013. Prior to that, she was with Edelman Public Relations where she spent 11 years with the firm's Financial Communications practice. She began her career with Gavin Anderson & Company (now Kream Gavin Anderson).

Miss Joey CHU

Assistant District Officer (Yau Tsim Mong), Yau Tsim Mong District Office, Home Affairs Department

Miss CHU joined the Government in 2022 and has been serving as Assistant District Officer (Yau Tsim Mong) since August 2022. One of her major duties in the office is to implement initiatives of Home Affairs Department, including District Youth Network Program, and organise youth engagement activities to equip young people to realize their capabilities and potentials, so as to develop a stronger sense of belonging and commitment to the community.

Prof Kam Tim WOO

Academy for Bright Future Young Engineers, Hong Kong University of Science and Technology

Prof Kam-Tim Woo is founding director of Center for Global & Community Engagement (GCE), School of Engineering in 2011. The center provides a major student enrichment program for UG engineering students in liaising with professional associations and community organizations. He is also appointed as the supervisor of HKUST Robotics team since Sept 2010.

Professor Woo has been very actively involved in teaching innovation. Beside developing different experiential learning courses, he encourages and mentors students to join various design competitions including Robotics Competitions, Engineering Design Competitions, Community Design Competitions, Business Plan Competitions, Student Paper Contests and Final Year Project and research competitions. Some projects are being able to contribute to the wellbeing of society and fulfilling the social responsibility. Under his supervision, students and HKUST Robotics team have gained numerous awards in recent years.

Mr Chan Chi-Koon, Clarence

Program Director, Integrated Community Services Division, Mong Kok Kai Fong Association LTD Chan Hing Social Service Centre

Clarence worked in community centres for nearly 25 years, mainly providing services to residents in Tai Kok Tsui and Mong Kok districts. He also served in old district redevelopment, family parent-child education, computer support and employment support services.
